

Gilead and Cornerstone Theater Company are proud to present...

Lunch Symposium

# Beyond the Diagnosis

*Real stories of  
people who are living and  
thriving in the most serious  
epidemic of our time*

**September 18, 2008**  
**Performance begins at 12:00 PM**  
**(Lunch will be served)**

**Greater Fort Lauderdale/Broward County Convention Center**  
**Hall A, First Floor**

This short play is part of a collection of plays developed in collaboration with HIV-positive people. The plays reflect the passions and challenges faced every day by HIV-positive people and the health professionals who treat them. This session will also feature a panel discussion of current partners to address how to engage new community members in awareness and education programs.

## **"Head Trip"**

Written by Sigrid Gilmer  
Directed by Michael John Garcés

This program is made possible by Gilead Sciences, Inc. Cornerstone Theater Company is a member of Theater Communications Group, the national service organization for nonprofit theaters, and LA Stage Alliance, which promotes, represents, and supports performing arts in Los Angeles.
