

Drug companies offer free drugs for the uninsured and co-pay assistance to help with cost sharing.

*It's important to apply even if you don't meet the posted eligibility criteria. Many companies make exceptions.*

### **HIV:**

A listing of the various programs can be found at: [fairpricingcoalition.org/projects/](http://fairpricingcoalition.org/projects/)

**Patient assistance up to (and sometimes greater than) 500% FPL:** A single form allows you to apply for assistance from nearly all pharmaceutical manufacturers. The common form may be found at: [hab.hrsa.gov/patientassistance](http://hab.hrsa.gov/patientassistance)

**Co-Pay Program for people with private health insurance** - Contact each manufacturer directly to obtain a discount card:  
[positivelyaware.com/2011/11\\_02/copay\\_chart.shtml](http://positivelyaware.com/2011/11_02/copay_chart.shtml)

### **VIRAL HEPATITIS:**

For detailed information on the available programs as well as a list of company contacts for **co-pay and Patient Assistance Programs (PAPs)**:  
[fairpricingcoalition.org/projects/](http://fairpricingcoalition.org/projects/)
